

# Rainbow

by Lex Lewis

## *- Strophe 1 -*

I'm sitting in this shell  
eating gold and drinking wine  
everybody is looking good  
and everything is fine

but something here is strange  
and everything should be change

oh, this is not the world, where i want to stay for the rest of my life

## *- Refrain 1 -*

I'm walking down to the rainbow, my journey starts  
and with a smile in my face, I wave goodbye

I'm walking down to the rainbow, leave everything behind  
and with a tear in my eye, I can see the color lights

## *- Strophe 2 -*

Ein neuer Tag und auf einer Reise, die mich schult und lehrt  
Tat und Wort verschmelzen mit dem Gedanken der mich schon länger quält  
ich weiß es soweit  
und das ist alles was ich weiß

die Uhr auf meiner Reise zeigt das Bild, das meinen Weg beschreibt.

## *- Refrain 2 -*

I'm walking down to the rainbow, as far as I can see  
and with a smile in my face, I'll pay the fee

I'm walking down to the rainbow, left everything behind  
and with a tear in my eye, I can see the color lights

## *- Bridge -*

time flows bye  
like a cloud in this lie

sorrow hope and fears  
are three main tears  
of a human, a human life

## *- Refrain 3 -*

I'm sitting here on the rainbow, my journey ends  
and with a tear in my eyes I say alright.

I'm sitting here on the rainbow, and close my eyes  
and with a smile in my face I proudly say: this was my time.
